Decision Base[®]

D I P L O M A

PABLO GIOVANNI PAEZI

Participant's name

A board-based business simulation that provides the experience of the strategic, business and financial fundamentals of navigating a capital-intensive company over a ten-year period. The participants have been challenged with the following topics:

- profit and loss statements and balance sheets
- business planning – financing needs
- profitability, financial indicators and budgeting
- analyses of the company and re-evaluation of strategy
- business concepts, business strategies and control
- market analyses
- competitor analyses
- information systems (Decision Base)
